Subject: update for you on bdc 404 items
<http://www.epa.gov/region9/water/watershed/sfbay-delta/index.html>

Hi,

Talked with Mike Nepstad today. Here are some items you need to know.

DWR would now prefer not to have an MOU. Did Michelle Morrow tell you this too?
DWR NEPA/404 meetings are moved to Fridays to accommodate difficult schedules on Thursdays. Next one is February 10th.
I'll send out a doodle poll for EPA & Corps to meet and discuss strategy for moving forward.

I'll call Cassandra and get an update on what I missed at the meeting.
